Planning for the Future of RLC: The Ministry and Mission Planning Team From Pastor Steve

Since the fall of 2022, Richland Lutheran Church (RLC) has had a team of folks working together on a strategic visioning team, the Ministry and Mission Planning Team (M & M), assembled and chartered by the Congregation Council. This team's purpose is to "Develop a strategic plan (or Guide and Vision) to accomplish the ongoing ministry and mission of RLC "To make disciples who worship, grow, serve and steward."

For the past months, the team has been working diligently to: 1) determine what God is doing already with us, 2) discern where God is headed and leading us, and 3) define the strengths, gifts and competencies of our congregation, to develop a flexible plan for our future. Some of this has been done through book study together. We've read and discussed *Growing Young: Six Essential Strategies to Help Young People Discover and Love Your Church* and *The Church Revitalization Checklist: A Hopeful and Practical Guide for Leading Your Congregation to a Brighter Tomorrow*. Other ways we've been doing this work have been through, the practice of spiritual formation habits, demographic studies, identifying church trends and best practices, and periodical reviews, to a few. Namely, however, we have been rooted in God's Word and prayer, asking him to speak to and lead us.

Currently, we are in our last steps to put together a new "Guide and Vision," plan, or whatever God leads us to, by discussing and working through seven important questions for our congregation as we move forward into God's future. Though they may not make perfect sense without broader context, they are listed on page 5.

Our hope is to be able to present to you this "Guide and Vision" for our ministry and mission for the next 10, or so, years at our Annual Congregational meeting at the end of October. Once accepted and approved by you, we will begin to discuss what it will take to implement the Guide and Vision regarding resources to include staffing, facilities, finances and the rest.

We have been and continue to invite you to share with us how God is speaking to you these days about our ministry and mission. Last fall, we did a "prayer night" on Wednesday evenings where we provided time, space, and resources for you to communicate with us directly. All along, our team has been purposeful in listening to those with whom we interact and will continue to do this. And, we encourage you to contact our team directly through Amanda Daniels if you have input, questions, epiphanies, concerns, or anything else you'd like to share. Without you, this plan won't be what it needs to be to succeed. We are grateful for our partnership together in the Gospel of Jesus Christ. Mostly, we covet your prayers for us.

Please keep the
Ministry and Mission
Planning Team in your
prayers!

President's Message: God is Faithful!

Sandy Steele, Congregation President

“The demand to know where we are going is one which no Christian has a right to make.” These words, taken from a devotional reading entitled “Where God is Taking Us”, were spoken at a 20th century synod meeting. It went on to read that Bishop Lesslie Newbigin, a British theologian who served as a missionary in India for many years, wrote in response - *“In a very real sense we do not know where we are going, but we are trying to meet day by day the plain requirements of God’s will. This means a constant effort to bring every part of church life and practice to the test of conformity with the Gospel.”* In other words, it’s not for us to know God’s plan; it’s simply for us to follow our Shepherd and trust that He will faithfully provide for our needs – *“even through the darkest shadows”*.

I mentioned RLC’s Facilities Strategic Plan (adopted 2016) in last month’s Preview, along with our barely-limping-along HVAC system, both of which need some serious TLC. Well, the time has now come for us to do something. For the last few months, Council has been in prayerful discussion and consideration regarding these two items, preparing our recommendations to bring to you for your consideration. As Pastor Steve announced (also in last month’s Preview), Council is calling a Special Congregational meeting for August 27, for which these will be the only two items on the agenda. Here is some information to help you begin your preparation for this very important meeting.

Let’s begin with **RLC’s Facilities Strategic Plan**, which was adopted by the congregation in November 2016 with the intent to rebuild. Preliminary implementation of the Plan began with the formation of a fundraising committee to help initiate funding and the creation of two budget accounts, including the Cornerstone/capital fund. The fundraising committee was placed on hold until such time that we were able to discern God’s plan for RLC and, although the Cornerstone fund does continue to grow, it does so very, very slowly as labor and material costs rapidly rise. We also removed the houses located on our adjacent properties and extended the parking lot, both needing to happen anyway. Then COVID paid us an unexpected and unwelcomed visit, placing a hold on everything. We now have before us two options which are: 1) resume implementation of the Plan knowing this would place an extreme financial burden on RLC **or** 2) retire the Plan and surrender ourselves to God allowing any future plans to be driven by our ministry and mission needs as they arise.

Our ministry needs here at RLC have changed significantly since adoption of this Plan and, as I know you will agree, our ministry needs should always drive any plan. Therefore, after much prayerful discussion and consideration, Council will be presenting to you our recommendation to: 1) retire RLC’s Facilities Strategic Plan, 2) repurpose the Facilities Fundraising Committee, and 3) retain and continue to grow our Cornerstone/capital fund for future capital expenditures. I would like to add that with COVID’s unexpected interruption to our lives, followed with the now significant cost increase in labor and materials, we’re very blessed that we didn’t find ourselves in the midst of implementation of this Plan. God continues to watch over us.

This brings me to our **HVAC system**, which is aged and has been in constant repair and continuing costs needing to be upgraded or replaced - soon. This, of course, would be a capital expenditure. I, again, thank those of you who have been

From the Council

Jim Lachut, Member At Large

Lori and I have been attending Richland Lutheran Church for about 20 years. We have seen a lot of changes, some people leaving and some people joining. One thing that hasn't changed though is the love and grace of our staff and congregation.

To begin with, when I look at the dedication of our Pastors, staff, council, volunteers and worshippers I see a family that has come together to serve and worship our Lord Jesus Christ. Secondly, the love and prayers that our family of believers express are exceptional.

This is the most giving church that I have ever been a part of and I believe, that with the Lords help it can only continue to flourish.

Psalm 95:1-5 (NKJV) *Oh come, let us sing to the LORD! Let us shout joyfully to the Rock of our salvation. Let us come before his presence with thanksgiving; let us shout joyfully to Him with psalms. For the LORD is the great God, and the great King above all gods. In His hands are the deep places of the earth' the heights of the hills are His also. The sea is His, for He made it; and His hands formed the dry land.*

Establishing the Right Priority	Here we will discern together what is most urgent for RLC's ministry and mission
Setting the Right Pace	Here we will determine how fast the congregation can change
Determining the Right Perspective	Here we will discuss whether our church's expectations are properly aligned
Managing the Right People	Here we will deliberate on our congregation's true capacity to move forward
Fixing the Right Place	Here we will discuss our facility and determine if it is ready for revitalization
Rekindling the Right Purpose	Here we will discern how we can shift our church to an outward focus
Finding the Right Pathway	Here we will determine the next step(s)

Grace and Peace,
 Pastor Steve (on behalf of the M & M Planning Team)

Sandy Steele, Council President

diligently working towards keeping us as comfortable as is possible while within the walls of our building and I thank you all for your patience in putting up with the discomfort. We've reached out to Bruce Heating & Air to advise us as to best steps going forward in resolution of our heating/cooling concerns. At this writing, we've received two proposals and are awaiting a third proposal. Once we've received all the proposals, Council will prayerfully consider and bring to you our recommendation in answer to our heating/cooling needs. We'll keep you informed as we receive more information.

We have a lot to talk about when we gather for our **Special Congregational Meeting on Sunday, August 27, 2023, at 11:15 AM**. We look forward to seeing you there and ask that you prayerfully consider your decision in casting your in-person vote. **RLC's Council will host lunch for this important event.**

Shalom!

The Bible is not just a book of rules, but a book of rescue — the beautiful story of the Father who longs to be in relationship with every one of us, and who went to extraordinary measures to bring us into His Kingdom! We want children to be on a lifelong journey of relationship with the Living God!

Emergency Contacts

Help Us Help You! Emergency situations occur without warning. That's why they're called emergencies! If an emergency arises while you're here at RLC, whom should we call? Do we have their name and phone number? Did you know one of the first things the paramedics ask us when they arrive to help is, "Do you have a name and phone number for their family?" Emergency contacts aren't just for children! RLC has the ability to keep an emergency contact on file in our online congregational database. You have the ability to add that information yourself (instructions available in this issue of the *Preview*); or submit it via your yellow slip or online attendance registration form. You can also call the church office or email jenny.page@richlandlutheranchurch.com with the information.

Emergencies can happen any time. Help us help you!

HOW TO...add Emergency Contact Info to your profile in the database.

1. From the church website, log into the online congregational portal, by clicking "RLC Login" from the top gray menu bar, and then clicking the dark gray box "RLC Online Community Login." Enter your username and password where prompted, and click the large blue "LOGIN" button. *If you have not activated your log in credentials yet or have forgotten your password, simply click on "Request Account" or "Forgot Password?" and we'll get you started as soon as possible.*
2. Go to your personal profile page by clicking on the monogram circle (or profile photo, if you've uploaded one) in the top right corner.
3. Click the light blue "Edit Profile" button in the top blue-gradient header area.
4. In the pop-up profile window, scroll down to the "Emergency Contact Name" and "Emergency Contact Number" lines and enter the appropriate information. Click the blue "Save" button at the bottom of the pop-up window.

August Operation Christmas Child Request: School Supplies and Notes for Boxes

165 boxes sent in 2022!

This month, our request is for **school supplies**: spiral notebooks, pens, crayons, colored pencils, glue sticks, flexible rulers, protractors, pencil cases, manual pencil sharpeners, markers, mechanical pencils, solar powered calculators, safety scissors, small adhesive tape, blank index cards.

This is also a great time to start writing **notes** to be included in the boxes! A simple handwritten note, even on just plain stationary or notebook paper, letting the recipient know that Jesus loves them, will go a long way in making the box more personal.
