

THE PREVIEW

JUNE 2019

Life is Wild - God is Good!

Get ready to ROAR into adventure!

At Roar VBS, kids discover that even though life gets wild, *God is good*. Roar is filled with incredible Bible-learning experiences kids see, hear, and touch! Scency-Fun Gizmos™, team-building games, cool Bible songs, and much more are just a few of the standout activities that help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and safe shoes.) Plus, we'll help kids discover how to see

evidence of God in everyday life—something we call God Sightings®.

Your kids will also participate in a hands-on mission project to help fill Operation Christmas Child Boxes! Bring a new, unused shirt (sized for kids ages 2-14) and help us reach our goal of 400 shirts!

Parents, grandparents, and friends are invited to join us at Safari Celebration each day for our opening and closing worship times in the sanctuary (6:00 and then again at 7:45 PM).

Mark your calendar for this wild event!

Philippians is perhaps my favorite writing of the Apostle Paul. Though this letter is not Paul's most poetic work, his best written or deepest theological treatise, it is my favorite because it is Paul's most intimate letter. Philippians, in the end, is a letter of friendship. A friendship based in the Gospel of Jesus Christ. Paul, traveling with Silas, Timothy and Luke, came to Philippi and found a small prayer group of women meeting outside of the city because there was no synagogue within city limits. The church started with this small group of women, especially Lydia, and grows to become one of the Apostle's favorites. Philippians is a book of joy, opposition, suffering, friendship, and doing life together in the Gospel of Jesus. Please join us this summer for a survey of this important book of the New Testament.

RLC Phone App and Push Pay

Digital giving is a safe and easy alternative for your tithes, offerings and special gifts to RLC. Register on the church website (RichlandLutheran.org) or on the mobile-phone app (text RLCAPP to 77977 to download). Digital giving eliminates the need for offering envelopes and volunteer/staff processing of your check or cash. It's even more efficient than using the billpayer system offered by your local bank or credit union! Recurring or one-time special giving is available. And, you have the ability to see your giving records at any time through your personal PushPay account! Join the others who have already made the switch!

History of Hymns

“God Leads Us Along”

Composer, George A. Young (dates unknown) was a carpenter by trade and a preacher who humbly served in small rural communities, often with small payment and resulting hardship on his family. Despite the hardships, he and his wife were faithful and loyal servants of God. After many years of struggling, Young was finally able to build a small home and move his family in. While he was away on a preaching trip, the house was burned down by a group of locals who didn't care for his preaching. The house was totally destroyed. Again, despite the hardship, Young remained faithful; and this hymn grew out of that experience.

Noted hymn writer and publisher Haldor Lillenas (1885-1959) migrated to the U.S. from Norway early in his life. He learned English from a neighbor who befriended him. Lillenas has related that the woman often sang "God Leads Us Along" to him as an expression of comfort when he was struggling. Years later, recalling the woman's kindness and the song she sang to him, Lillenas sought to learn about the song and its composer. He discovered that Young had died, but that his widow was still alive and lived nearby. He found her living in a poor house, visited with her, and heard her relate this about the hymn:

My husband and I were married while we were very young. God gave us a wonderful life together; he led us from day to day. We had so much of Jesus. But then God took my husband. Now God has led me here, and I'm so excited and glad about it! God has used me in this place. Isn't it wonderful that God leads his children day by day and step by step? Many people come to this place and they are so sad and in such great need. They need help and comfort. I have been able to cheer many of them and lead scores of them to the Lord Jesus Christ. How thankful I am that God has brought me to this place, where I can be of so much help to these people!

The hymn writer makes skillful use of exaggerated extremes in order to express the full range of human struggle and experience in God's great love and mercy. The message is that in all of life's circumstances, good and bad, God is with us, comforting, enabling, leading. When life is good and circumstances are favorable, God is with us. But even in times of struggle and suffering (even when your house has been burned down), God is also with us. It is in God that we find strength, comfort, and purpose. It is God who "gives a song" for us to sing regardless of life's circumstance.

There is a fourth stanza that is sometimes omitted in hymnals:

Away from the mire, and away from the clay,
 God leads His dear children along;
 Away up in glory, eternity's day,
 God leads His dear children along.
