We Change - God Does Not

From Pastor Steve

Greetings RLC Family,

Our Congregation President, Sandy Steele has written a fabulous article (on page 4) talking about change. If you have not yet read it, please do now and then, continue reading here.

Sandy wrote, "I know that's a lot of change and a lot to process all at once, but we're not walking this journey alone. We're all in it together and, more importantly, God walks with us." What a great reminder of God's presence in all things, especially in times of change. And while we change, and must, we also remember, God does not.

There are many Scripture verses which capture the unchanging God:

Hebrews 13:8 "*Jesus Christ is the same yesterday and today and forever.*"

Malachi 3:6 "*I the Lord do not change. So you, the descendants of Jacob, are not destroyed.*"

Numbers 23:19 "*God is not human, that he should lie, not a human being, that he should change his mind. Does he speak and then not act?*"

James 1:17 "*Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.*"

These are but a few reminding us God is steady, steadfast and unchanging. When everything around us, even ourselves, are changing at an ever-increasing rapidity, this is certainly good news! So, as you, and everything around you change, remember the always the same, unchanging God of grace, mercy and love. The One who is always steady.

Below, then, are a few, more immediate, upcoming changes.

Sunday Morning Combined Worship Service

Starting Sunday, July 2, and ending Sunday, September 3, we will be combining our 8:30 AM and 11:00 AM morning services to one 10:00 AM service. Our 5:00 PM service will continue as is. We will keep our more traditional service order to include liturgy and hymns while also mixing in a couple of contemporary praise songs.

Some of the reasons for doing this include:

1. The positive feedback from our congregation when we meet together for worship.
2. The natural decline of in-person worship due to vacations and nicer weather.
3. The many vacancies in staff and volunteers in the area of worship.
4. The convenience of getting folks, from both morning services, together for fellowship following service.
5. The opportunity of experiencing and appreciating other styles of worship and praise.

Jesus Christ is the
same yesterday and
today and forever.
Hebrews 13:8

President's Message: Change Strengthens Us

Sandy Steele, Congregation President

Change is not always easy. In fact, it can be quite difficult for many of us. Change can be both sad and, at the same time, joyful. I've experienced many changes in my life throughout the years, as I'm sure you have, and I anticipate more change to come. Yes, even at my stage of life. Those of us who've been around for some time have seen many changes here at RLC and we will continue seeing change, especially now that we're post-COVID. Sorry. There's that ugly word again. Winston Churchill once said about change, "To improve is to change; to be perfect is to change often." I'm not advocating that we strive for perfection, however I am suggesting that change is inevitable and oftentimes necessary to better our lives, help those around us, and ultimately serve God better - to improve. Change can be very daunting, especially because it brings uncertainty into our lives. I find it, sometimes, daunting myself. However, daunting as it may be, we must embrace it and we can do that only with God's help. We can use that time of uncertainty to lean on God - to trust Him and His promise that He will not abandon us. He is always with us and He will guide us through it. The process of change can help to strengthen our trust in God and grow us in Him. It can make us stronger. Romans 8:28 *"And we know that in all things God works for the good of those who love him, who have been called according to his purpose."*

"And we know that in all things God works for the good of those who love him, who have been called according to his purpose."

Romans 8:28

This brings me to the purpose of my message to you, which is simply to prepare you for some upcoming potential changes within our beloved RLC. Yes - we have seen many changes over the years, with more on the horizon which I would now like to share with you and, at the same time, ask for your prayers as we (Council) continue discussing and gathering information to bring to you. Pray that God guides us according to His will and that we hear Him, listen to Him, and obey Him.

Let me begin with our staffing here at RLC. Susie Nunamaker, as you know, recently retired from her position as our Worship Coordinator leaving a vacancy for both the Traditional and the Contemporary Worship Coordinators. We are currently receiving resumes and our Staffing/Executive Committee will be reviewing them and considering candidates for these positions. Kelly Westlund has been attending seminary (Fuller) over the last few years, studying for her masters in divinity and is now being sought after by LCMC congregations around the Northwest, which brings us all both joy and sadness. Many of us have been blessed with a ring-side seat watching Kelly grow over the years into a pastor with a genuine love for people and souls and a deep, personal love for Jesus. God is growing her and He is calling her into service as a Pastor - somewhere. In anticipation of the very likely event that Kelly moves into her new role outside of RLC, Pastor Steve, along with the help of Council, have begun developing a succession plan, including both a Ministry Assistant for Christian Service and the possible creation of an Associate Pastor in Residency program. More on that later.

This brings me to the parsonage at 1510 Farrell Lane. Pastor Steve and his family have moved out of the parsonage into their newly purchased home in West Richland. Yay for them! This, of course, is not new news. However, this now leaves us with an empty parsonage. So, what are we going to do with the property? As I shared last month, this will ultimately be your decision. There are several options available to us, among which is to keep the house as a parsonage to be included as part of the package for a Residency program, if that should come to fruition.

Welcome to Our New Nursery Attendant

We are pleased to announce we have hired a Nursery Attendant, Briella DeWeber. Briella was baptized and confirmed her faith at Richland Lutheran Church and has been an active member of RLC for many years. She has come up through our Children's and Youth ministries and has now, after graduating from High School is looking to pour back into ministry and mission at RLC. Currently Briella's plan is to start cosmetology school in the fall and enter the beauty industry as a licensed cosmetologist.

The nursery will be available for both morning services starting Sunday, June 18, and during the summer at our combined 10:00 AM service, until we go back to two services again in the fall. If you get the opportunity to welcome Briella as an RLC staff member, please do so.

President's Message, Continued from Page 4

Sandy Steele, Council President

Council will be in prayerful discussion and will be bringing to you more information, including our recommendation(s) for congregational approval.

We haven't forgotten our Guide and Vision Plan (adopted 2013) nor have we forgotten our Facilities Strategic Plan (adopted 2016) which, I'm sure, many of you have not forgotten. Both of these Plans have been "sitting on the shelf" for a number of years now, just "drawing dust". It's time to take them "off the shelf, dust them off," and revisit them. Our Ministry and Mission Planning Team is now going through the book "The Church Revitalization Checklist: A Hopeful and Practical Guide for Leading Your Congregation to a Brighter Tomorrow" and will be developing a Guide and Vision for RLC to bring to you (the congregation) at our annual meeting in late October. All of this is projected to happen by or before the end of the year, so stay tuned for more information to come.

I, of course, can't forget our "infamous" HVAC system; another upcoming change – definitely for the good. We are all painfully aware of the current state of our heating and cooling system here at RLC, which is, at best, just "limping along." Thank you to all of you (you know who you are) who have been steadily and tirelessly(?) working to help keep us as comfortable as is possible while spending time within the walls of our building. We (Council) are now looking at plans and bids to replace or upgrade our HVAC system, which we will be bringing to you for approval in the next few months.

That's all for now, folks. I know that's a lot of change and a lot to process all at once, but we're not walking this journey alone. We're all in it together and, more importantly, God walks with us. *"Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand."* Isaiah 41:10.

Shalom!
Sandy Steele
