**Pentecost 26 - November 17, 2024 - 5:00 PM**

*Holy Communion is a Christian Sacrament – a Holy Rite where we receive God’s divine grace and presence – practiced to respond to God’s invitation to believe and trust in him. All those who would like to receive this Sacrament, or a blessing, are encouraged to approach the altar at the usher’s instructions with faith, humility, and reverence. Please follow the usher’s instructions to the altar rail. Those receiving communion should hold out their hand as the ministers come by with the bread and wine. Those receiving a blessing should fold their hands under the railing. **Gluten-free wafers** are available in the round container on the bread plate and should be taken by those who require them. For those who prefer **grape juice** rather than wine: the center ring of glasses on the communion tray is white grape juice. **For those who are not able to come to the railing, or who are not yet comfortable with coming to the railing, simply remain in your pew, and a communion assistant will come to you with the tray of elements for you to take while in your seat.***
